UTSA FOOTBALL

COUNTDOWN TO KICKOFF

Dear Prospective Student Athlete:

The excitement around San Antonio about our UTSA Football program is beginning to spread throughout the State of Texas and beyond. We have a clear vision as to the future of Roadrunner Football, and we have an outstanding recruiting base in Texas, which was demonstrated by our 2010 signing class.

San Antonio is the seventh largest city in America and until UTSA added the sport in December 2008, it was the largest city in the country without an NFL or NCAA Division I football team.

Our future is bright as we look to fill the Alamodome for the first time with UTSA Football fans on September 3, 2011. We are moving forward at a fast pace, and my commitment is to give UTSA students, alumni and the City of San Antonio a product of which we can be proud. We will strive to compete at a high level on the playing field and in academics.

As we prepare for the inaugural season to UTSA Football, our slogan is unchanged:

"This is our time. Some opportunities only come around once."

We encourage you to be a part of this new tradition of Roadrunner Football in San Antonio and to "seize the moment."

Go Runners!

Sincerely,

Larry Coker

SAYING...

"In my opinion, Larry is the best hire for UTSA. He loves kids and the game of football and has impeccable character. Larry has been at the pinnacle of the college football world and he got there by paying his dues and working extremely hard for many years. He'll bring that same kind of energy to UTSA. They are lucky to have him."

— *Texas head coach Mack Brown*

"UTSA wins again! Lynn Hickey's hiring of Larry Coker is one of the biggest coups in the history of UTSA. Larry has quickly put together an excellent staff. They not only know the game; they have been involved in other very successful startup programs. It is not easy to build any new organization. UTSA has a great advantage in meeting that challenge with the hire of Larry Coker."

— *Red McCombs, former Minnesota Vikings owner and San Antonio businessman*

Larry Coker guided the Miami Hurricanes to the 2001 National Championship, capping a 12-0 season with a 37-14 victory over Nebraska in the Rose Bowl.

"Coach Coker has always been genuine. I always have appreciated what he has done for the game of football. He's a great fit for UTSA."

— *Russell Maryland, former Miami All-American and 1991 NFL Draft overall No. 1 pick*

"Coach Coker is one of the real gentlemen and winners in collegiate football. He is the right man to begin the great adventure of college football at UTSA."

— *Ohio State head coach Jim Tressel*

UTSA FOOTBALL

Several hundred students, faculty, staff and fans welcomed Larry Coker to UTSA on March 6, 2009.

Four-time UTSA track & field All-American Teddy Williams fulfilled a life-long childhood dream when he signed a contract with the Dallas Cowboys. Williams will begin his NFL career at defensive back and wear No. 29.

Larry Coker spoke to a crowd of approximately 200 UTSA supporters about the program's first-ever signing class on Feb. 3, 2010.

The UTSA coaching staff hosted six total summer camps in 2010. Approximately 300 kids attended a pair of youth camps held on the Main Campus in June. More than 400 athletes participated in two Advanced Camps held at the Alamodome, while more than 100 took part in Advanced Camps held in McAllen and Corpus Christi.

The program held walk-on tryouts for UTSA students in March 2010 at Farris Stadium.

MEDIA EXPOSURE

"No one, however, should question Coker's ability to get it done. There's too much high school talent in the state of Texas, and Coker has too many friends in the coaching community helping him out."

— Matt Hayes, *The Sporting News*, April 13, 2009

"Larry is the perfect guy to start a football program from the ground up. He's got name appeal, he's won a national championship, all the high school coaches know him or know who he is. Plus, Larry knows what he's doing. After you get to where he got — the National Championship — and then step back ... all you want to do is coach. He's made the money, he's won the big games. Now he just wants to get UTSA going, and I have no doubt that he will."

— Texas head coach Mack Brown as told to Jason King, *Yahoo! Sports*, July 9, 2009

COLLEGE FOOTBALL

For UTSA, football isn't far away—and neither is winning

Yep, they're ready for football in San Antonio. The nation's seventh largest city doesn't have an NFL franchise or a Division I football team, but it has 28,000-plus students at Texas-San Antonio who voted not once but twice to increase their fees to help fund the school's startup program.

Larry Coker, who won a national title at the other end of the spectrum earlier this decade at Miami, was hired to make it all work. On the day he was introduced last month, more than 500 UTSA students delayed leaving for spring break and packed the press conference to show their support for a team that won't begin playing (in Division I-AA) until 2011.

"I really questioned their sanity," Coker says. No one, however, should question Coker's ability to get it done. There's too much high school talent in the state of Texas, and Coker, 60, has too many friends in the coaching community helping him out. Among the group: Florida Atlantic's Howard Schnellenberger, a guy who knows a little about building programs.

Schnellenberger resurrected a Miami program that was months from shutting down and won a national title there in 1983 before moving on to turn around Louisville, where his 1990 team was the school's first 10-game winner. Now he has FAU—entering its fourth full Division I season—at the top of the Sun Belt Conference.

His advice to Coker: Believe in what you're doing. "They have the Spurs here; they understand winning," Coker says. "There will be a grace period, but there will come a time when we need to show we can win. And we will."

— Matt Hayes

FIRST FOOTBALL CATCH FOR UTSA

BY DAN MCCABNEY

Enthusiastic to begin with, UTSA President Ricardo Romo was on the verge of bursting out of his suit.

Athletic director Lynn Hickey was on the verge of bursting into tears. And Larry Coker? With the many one-liners he fired off during Friday's ceremonies, he might have been polishing a stand-up act rather than participating in his introduction as UTSA's first football coach.

"They talked to so many people, I think they even got in

touch with a girl I dated in the ninth grade," Coker joked.

It was that kind of day at the University of Texas at San Antonio's events center — giddy, unrepentant, even a bit hard to digest as the school's lengthy quest to start a college football team finally began to take tangible shape.

Coker, 60, hadn't coached in two years since he was forced out at the University of Miami

— where he won 60 games and the 2001 Bowl Championship Series title — following the 2008 season.

However, that pedigree, as well as nearly 30 years of college coaching experience, pushed Coker ahead of two other finalists.

UTSA's plan calls for the school to eventually field an NCAA Football Bowl Subdivision program.

Before then, the Roadrunners will cut their teeth in the Football Championship Subdi- vision beginning in 2011. That's a can't wait to get started.

PARK WEST ATHLETICS COMPLEX

Quick Facts

The 60-acre complex will be built in phases near UTSA's Main Campus on a university-owned tract of land located just inside Loop 1604 near Hausman Road and Kyle Seale Parkway

The complex will feature NCAA Division I-quality stadiums

- Baseball (4,000 seats)
- Softball (1,500 seats)
- Soccer (5,000 seats)

Economic Impact

The complex will generate nearly \$200 million for the local economy during three years of construction and the initial five years of operation

The first five years of operation will generate an estimated \$63 million in sports tourism spending, as UTSA will work with the city, county and San Antonio Sports to recruit and co-host tourist-destination events in the complex

UTSA's athletics program currently contributes more than \$27 million annually to the local economy, including operations and the existing sports-tourism base

ABOUT UTSA

The University of Texas at San Antonio was founded on June 5, 1969, by Texas Governor Preston Smith.

UTSA serves the San Antonio metropolitan area and the broader region of South Texas through programs and services offered from its three campuses: Main Campus, Downtown Campus and Hemisfair Park Campus.

With approximately 29,000 students enrolled in 134 undergraduate and graduate degree programs, UTSA is the second-largest component in The University of Texas System and has been one of the state's fastest-growing public universities for much of the last decade.

UTSA listed an enrollment of 29,133 (25,135 undergraduates) for 2009-10, making it the sixth-largest school in the state of Texas.

UTSA offers 64 bachelor's, 49 master's and 21 doctoral degree programs in the colleges of Architecture, Business, Education and Human Development, Engineering, Honors, Liberal and Fine Arts, Public Policy, Sciences and in the Graduate School.

The university's three campuses provide access and opportunity for large numbers of historically underserved students. More than 58 percent of UTSA's students come from groups underrepresented in higher education. Many students are the first in their families to attend a college or university.

As the region's largest generator of engineers, artists, business professionals, teachers, scientists and technology managers, UTSA has produced more than 78,000 graduates since awarding its first degree in 1974.

UTSA has a total of 615 budgeted tenure/tenure-track faculty positions. Ninety-eight percent of full-time faculty hold doctorates or equivalent terminal degrees. UTSA has a total of 36 endowed academic positions, a measure of academic excellence. They include 14 distinguished chairs, six chairs, six distinguished professorships, nine professorships and one faculty fellowship

In addition to the educational advantages UTSA offers, its economic impact directly and indirectly produces 1.2 billion in annual business revenues and supports an estimated 15,720 jobs in the San Antonio metropolitan statistical area. Purchases by UTSA in 2009 totaled \$65 million, with \$16.5 million or 25 percent designated or obtained from historically underutilized business (HUB) vendors.

Dr. Ricardo Romo, a San Antonio native, became UTSA's fifth president in 1999 and is the first Hispanic president in the university's 41-year history.

NCAA COMPLIANCE

THE NCAA RULES AND FANS

Compliance with NCAA rules is one of the highest priorities for our athletics program and institution. As a member of the NCAA, the University of Texas at San Antonio is accountable for the actions of its boosters and fans. Even the best-intentioned action on a fan's part may be a violation of NCAA rules. Please contact the UTSA Compliance Office if you have any questions concerning what is permissible. Inquiries should be directed to the UTSA Compliance Office at this address:

UTSA Compliance Office
Intercollegiate Athletics
One UTSA Circle
San Antonio, TX 78249
Phone: (210) 458-5493

REPRESENTATIVES OF ATHLETICS INTERESTS

A "representative of UTSA's athletics interests," or booster, is anyone who:

- Has ever participated in or is currently a member of the various athletics department support groups;
- Has made a donation to the athletics program;
- Has helped arrange summer and/or vacation employment for student-athletes; or
- Has been involved, in anyway, in the promotion of UTSA's athletics program

EXTRA BENEFITS

Prospective and current student-athletes may not receive extra benefits. An extra benefit is any special arrangement by an institutional employee or representative of the institution's athletic interests to provide a student-athlete or his/her family a benefit not authorized by NCAA legislation. Extra benefits would include, but are not limited to:

- An employment arrangement for a prospect's relatives;
- Gifts of clothing or equipment;
- Cosigning of loans;
- Providing loans to a prospect's relatives or friends;
- Cash or like items;
- Use of an automobile;
- Any tangible items, including merchandise;
- Free or reduced-cost services, rentals or purchases of any type;
- Free or reduced-cost housing
- Use of a college's athletic equipment;
- Sponsorship of or arrangement for an awards banquet for high school, prep school or two-year college athletes by a college, athletics representative or its alumni groups;
- Employment of a student-athlete at a rate higher than the wages paid for similar work; and
- Payment to a student-athlete for work not performed.

RECRUITING

Only coaches and athletics department staff may be involved in the recruiting process. Athletic representatives are prohibited from contacting a prospective student-athlete or members of his/her family by telephone, letter, e-mail, or in person for the purpose of encouraging participation in athletics at The University of Texas at San Antonio. This prohibition remains in effect even after the prospect signs a national letter-of-intent (scholarship offer). You can do your part by forwarding names of any potential recruits to the UTSA coaching staffs.

PROSPECTIVE STUDENT-ATHLETE

A prospective student-athlete is a person who has started classes for the ninth grade. You can become a prospect even if you have not started the ninth grade, if a college gives you or your relatives any financial aid help or other benefits that it does not give others.

Before a prospect can make an official visit to UTSA, he/she must present (1) a score from a PSAT, SAT or ACT test (through an official high school or testing agency), (2) an academic transcript, and (3) must register with the NCAA Eligibility Center and must be placed on the institution's Institution Request List with the NCAA Eligibility Center.

VISITING UTSA

OFFICIAL VISIT:

An "official visit" is a visit paid in whole or in part by the university and cannot exceed 48 hours in length. A prospect can make a total of five official visits, with a limit of only one per university.

UNOFFICIAL VISIT:

An "unofficial visit" is a visit made at the prospect's own expense. The university may provide (a) three complimentary tickets to an on-campus athletics event in which the university's team is competing and (b) transportation to view off-campus practice and competition sites within a 30-mile radius. Prospects can make as many unofficial visits as they want.

LARRY COKER

HEAD COACH
(NORTHEASTERN [OKLA.] ST. • 1970)

A 29-year collegiate coaching veteran, Larry Coker was named the first head coach in UTSA football history on March 6, 2009.

Coker has made national headlines for the program in his first year in the Alamo City. He has assembled a coaching staff of six assistants (as of August 2010) that has more than 125 combined years of coaching experience. Coker's first-ever recruiting class made waves, as it featured nine all-state and 28 all-district performers.

The Okemah, Okla., native came to UTSA after spending two seasons as a college football analyst for ESPN.

Prior to that, Coker arguably was one of the nation's top head coaches from 2001-06 at the University of Miami (Fla.).

He posted a 60-15 record (.800 winning percentage) in his six seasons, including wins in his first 24 games (first coach since Walter Camp in 1888-89 to do so), and led the Hurricanes to the 2001 National Championship in his first season, becoming just the second coach in NCAA history to do so and first in 53 years.

Coker was a two-time National Coach of the Year (2001-02), American Football Coaches Association (AFCA) Region Coach of the Year (2001, '05) and Big East Coach of the Year (2001-02) honoree.

He led the Hurricanes to a pair of Bowl Championship Series (BCS) title game appearances, three BCS bowl games, a total of six bowl contests overall and three

DR. RICARDO ROMO

UNIVERSITY PRESIDENT

12TH YEAR

(TEXAS)

Ricardo Romo became the fifth president of The University of Texas at San Antonio in May 1999. As President, he leads one of the fastest-growing institutions of higher education in Texas and the nation. UTSA, under his leadership, is now poised to become the state's next premier research university. President Romo has led strategic efforts to enhance both access to education and excellence in scholarship and service at the University.

During President Romo's tenure, UTSA's enrollment has grown 53%, and the University has added numerous programs and facilities to enhance student life. The number of doctoral degree programs has increased from three to 21. He also has implemented new student support programs designed to help students succeed at earning a university degree. The number of advisers has tripled, and UTSA, with nearly 29,000 students in 2009, is recognized as a leader in "Closing the Gaps," a statewide initiative by the Legislature to enroll more Texans in higher education.

A native of San Antonio's West Side, President Romo graduated from Fox Tech High School and attended The University of Texas at Austin on a track scholarship. He served as captain of the track and cross-country team and earned All-American honors in 1966. Romo was the first Texan to run the mile in less than four minutes, and his mile record lasted 41 years.

He earned a B.S. degree in education (1967), a master's degree in history from Loyola Marymount University (1970) and a Ph.D. in history from UCLA (1975). A nationally respected urban historian, Romo is the author of "East Los Angeles: History of a Barrio," which is now in its ninth printing (one in Spanish).

Romo began his career as a social studies coordinator in the Los Angeles public schools in 1967. He taught as an assistant professor at California State University at Northridge (1970-1973) then at UC San Diego (1973-1980). In 1980, he returned to UT Austin to teach history. Prior to joining UTSA, Romo served at UT Austin as Vice Provost for Undergraduate Education (1993-1999).

Romo serves on nearly 20 boards, many of them in San Antonio. He is active on several museum boards and is especially proud of his work with the United Way. In December 2004, Secretary of State Colin Powell appointed Romo as a U.S. representative to the United Nations Educational Scientific and Cultural Organization. In January

Members of the 2001 San Antonio Sports Hall of Fame Class from left to right: Robert Quiroga, Rudy Davalos, Nelson Wolff and Dr. Ricardo Romo

He was elected chairman of the board for the San Antonio Hispanic Chamber of Commerce (the largest U.S. Hispanic Chamber organization) for 2006. In 2007, Governor Rick Perry appointed Romo to serve on the Commission for College Ready Texas.

Romo has received many honors during his academic career. In 2006, Romo was honored by the UT Austin Friar Society as Outstanding Friar Alumnus. In November 2007, he was recognized with the Isabel la Catolica award, the highest award given to non-Spanish subjects, bestowed upon him by King Juan Carlos of Spain. In October 2008, Romo received the Distinguished Alumnus Award from the Texas Exes Alumni Association.

President Romo is married to Dr. Harriett Romo, a Professor of Sociology at UTSA. She also serves as Director of UTSA's Mexico Center and the Bank of America Child and Adolescent Policy Research Institute (CAPRI). They have one son, Carlos, who earned degrees from Stanford University and The University of Texas School of Law. Their daughter, Anadelia, a graduate of Princeton University, received a doctoral degree from Harvard University and presently teaches at Texas State University.

LYNN HICKEY

DIRECTOR OF ATHLETICS

11TH YEAR

(OUACHITA BAPTIST)

Lynn Hickey has made student-athlete welfare one of her top priorities as she continues to work to bring the UTSA Athletics Department to the upper echelon of the NCAA Division I standings.

Under Hickey's direction the last 10 years, UTSA has claimed three Southland Conference all-sports championships while consistently winning both team and individual awards in all 17 sports sponsored by the university. On Dec. 18, 2008, UTSA's Athletics Initiative Business Plan was approved by the UT System Board of Regents, granting permission to start a football program. Hickey made a splash with the hiring of the first-ever head football coach, as two-time National Coach of the Year Larry Coker was introduced on March 6, 2009.

Hickey has led the charge for UTSA and its hosting of numerous NCAA Championship events. Since her arrival on campus, UTSA has served as host institution for the 2001 NCAA Men's Basketball Midwest Regional, 2002 Women's Final Four, 2003 Men's Basketball South Regional, 2004 Men's Final Four, 2005 Women's Volleyball Championship, 2006 Women's Basketball South Regional, 2007 Men's Basketball South Regional, 2008 Men's Final Four and 2010 Women's Final Four. It will serve as host for the 2011 Men's Basketball Southwest Regional and 2011 Women's Volleyball Championship. When the calendar is turned to 2012, UTSA will have hosted 14 NCAA Championship events in a 15-year period.

In 2007, Hickey was named to the NCAA Division I Men's Basketball Committee, one of the most prestigious appointments in all of collegiate athletics. The 10-member committee oversees administration of the NCAA Division I Men's Basketball Championship, including the selection and seeding of teams for the tournament. Hickey became just the second female ever selected to the committee, joining UNC Charlotte Athletics Director Judy Rose, who served from 1999-2003.

Hickey has been honored nationally for her hard work at UTSA. She was named the National Association of Collegiate Women Athletics Administrators 2005 Division I-AAA Administrator of the Year. Hickey earned her second national award in June 2006 as the National Association of Collegiate Directors of Athletics (NACDA)/GeneralSports TURF Systems Division I-AAA West Region AD of the Year (ADOY). She also was selected to and completed the Masters Leadership Program of San Antonio and Bexar County.

"UTSA is very fortunate to have an athletic leader with both the administrative and coaching experience of Lynn Hickey," UTSA President Dr. Ricardo Romo said. "Lynn not only is a leader who can take our athletic program to the next level, but she is also well

respected nationally and serves as an excellent role model for all student-athletes at this university."

In serving as the fourth athletics director in UTSA history, Hickey assumed the lead athletics role at one of the youngest NCAA Division I universities in the country (UTSA began athletic competition in 1981). The only female Division I athletics director that oversees both men's and women's sports in the state of Texas, she served as President of the Southland Conference from 2002-04 and as the SLC's representative to the NCAA Championship/Competition Cabinet.

"It has been an exciting time," said Hickey, who served on the Women's Basketball Rules Committee from 2003-06, the last two as Chair. "We have made some good strides to bring the program to prominence nationally. San Antonio is an outstanding city and is a tremendous asset to the unlimited potential of the UTSA athletics program."

Hickey came to San Antonio from Texas A&M University, where she served as senior associate athletic director/senior woman administrator since 1994. At Texas A&M, her responsibilities included event management and marketing and promotions for 16 of the university's 19 Division I sports. She also represented the Big 12 Conference as a member of the NCAA Championship Cabinet.

From 1984-94, Hickey served as head women's basketball coach for Texas A&M. She directed the 1993-94 Aggies basketball team to the NCAA Tournament Sweet 16, becoming the lowest-seeded team to ever reach that milestone. Texas A&M finished the year ranked No. 19 in the CNN/USA Today Top 25 poll. Following the season, Hickey relinquished her coaching duties to accept the promotion to senior associate athletic director. She finished her coaching career with an overall mark of 279-167 in 15 years of collegiate coaching.

Before her stint at A&M, Hickey was head women's basketball coach at Kansas State University from 1979-84. She averaged more than 23 wins per season in posting a 125-39 (.762) record over five years and led the Wildcats to five consecutive NCAA Tournament berths. She was inducted into the Kansas State Athletics Hall of Fame in September 2004.

A native of Welch, Okla., Hickey graduated summa cum laude from Ouachita Baptist University in Arkadelphia, Ark., with a bachelor's degree in education. She was an All-American for OBU's nationally-ranked basketball team and a member of the USA National Team in 1973. Hickey and her husband, Bill, have one daughter, Lauren Nicole.
