SAYING...

"In my opinion, Larry is the best hire for UTSA. He loves kids and the game of football and has impeccable character. Larry has been at the pinnacle of the college football world and he got there by paying his dues and working extremely hard for many years. He'll bring that same kind of energy to UTSA. They are lucky to have him."

— Texas head coach Mack Brown

"UTSA wins again! Lynn Hickey's hiring of Larry Coker is one of the biggest coups in the history of UTSA. Larry has quickly put together an excellent staff. They not only know the game; they have been involved in other very successful startup programs. It is not easy to build any new organization. UTSA has a great advantage in meeting that challenge with the hire of Larry Coker."

— Red McCombs, former Minnesota Vikings owner and San Antonio businessman

"Larry has a long and great track record as a championship-caliber football coach. Along with his championship style, comes a man of character that all of us coaches recognize and respect."

— Oklahoma head coach Bob Stoops

Larry Coker guided the Miami Hurricanes to the 2001 National Championship, capping a 12-0 season with a 37-14 victory over Nebraska in the Rose Bowl.

UTSA FOOTBALL

MEDIA EXPOSURE

"What Coker has in his favor is strong enthusiasm from the UTSA student body, alumni and businesses ready for Division I football in the nation's seventh-largest city."

— Chuck Carlton, *The Dallas Morning News*, May 9, 2009

"No one, however, should question Coker's ability to get it done. There's too much high school talent in the state of Texas, and Coker has too many friends in the coaching community helping him out."

— Matt Hayes, *The Sporting News*, April 13, 2009

"Larry is the perfect guy to start a football program from the ground up. He's got name appeal, he's won a national championship, all the high school coaches know him or know who he is. Plus, Larry knows what he's doing. After you get to where he got — the National Championship — and then step back ... all you want to do is coach. He's made the money, he's won the big games. Now he just wants to get UTSA going, and I have no doubt that he will."

— Texas head coach Mack Brown as told to Jason King, *Yahoo! Sports*, July 9, 2009

UTSA has made local and national headlines with the addition of football in December 2008 and the Larry Coker hire in March 2009.

SA THE VOICE OF SOUTH TEXAS SINCE 1848

FIRST FOOTBALL CATCH FOR UTSA

By Dan McCarney

It's a historic day for UTSA as the school's first football game is played on the Alamodome. The game, between UTSA and the University of Texas at San Antonio, is the first in the school's history.

NO DOUBTS: Regents unanimously approve school's plan to add football. NEXT UP: The program's first coach expected to be hired in early 2009.

COLLEGE FOOTBALL

THE ROTATION

For UTSA, football isn't far away—and neither is winning.

Yes, they're ready for football in San Antonio. The nation's seventh largest city doesn't have an NFL franchise or a Division I football team, but it has 28,000-plus students at Texas-San Antonio who voted not once but twice to increase their fees to help fund the school's startup program.

Larry Coker, who won a national title at the other end of the spectrum earlier this decade at Miami, was hired to make it all work. On the day he was introduced last month, more than 500 UTSA students delayed leaving for spring break and packed the press conference to show their support for a team that won't begin playing (on Division I-AA) until 2011.

"I really questioned their sanity," Coker says. "No one, however, should question Coker's ability to get it done. There's too much high school talent in the state of Texas, and Coker, 60, has too many friends in the coaching world to bring him out. Among the group: Howard Schnellenberger, a little about building a program."

He contacted a Miami coach who was shut down there in 1993 before moving to Louisville, where he coached the school's first 10-game season—winning its fourth title at the top of the...

Believe in what you're...

...here; they understand there will be a grace time a time when we... And we will."

— Matt Hayes

"This is a historic day for us. It's part of what happens when you have a great university that continues to grow. This is a major step in our continued development."

— UTSA President Dr. Ricardo Romo on the addition of football as told to John Whisler and David Flores, San Antonio Express-News, Dec. 19, 2008

"UTSA Football: The Birth of a Program" is a six-part documentary airing on FOX Sports Southwest, which reaches more than 10 million cable and satellite TV homes in Texas, Oklahoma, Arkansas and Louisiana.

THIS IS

ABOUT UTSA

The University of Texas at San Antonio was founded on June 5, 1969, by the Texas Legislature to be a "university of the first class."

UTSA serves the San Antonio metropolitan area and the broader region of South Texas through programs and services offered from its three campuses: Main Campus, Downtown Campus and Hemisfair Park Campus.

With nearly 31,000 students enrolled in 134 undergraduate and graduate degree programs, UTSA is the third-largest component in The University of Texas System and has been one of the state's fastest-growing public universities for much of the last decade.

UTSA listed an enrollment of 30,395 (25,893 undergraduates) for 2009-10, making it the sixth-largest school in the state of Texas.

UTSA offers 63 bachelor's, 49 master's and 22 doctoral degree programs in the colleges of Architecture, Business, Education and Human Development, Engineering, Honors, Liberal and Fine Arts, Public Policy, Sciences and in the Graduate School.

As the region's largest generator of engineers, artists, business professionals, teachers, scientists and technology managers, UTSA has produced more than 81,000 graduates since awarding its first degree in 1974.

UTSA has a total of 615 budgeted tenure/tenure-track faculty positions. Ninety-eight percent of full-time faculty hold doctorates or equivalent terminal degrees. UTSA has a total of 36 endowed academic positions, a measure of academic excellence. They include 14 distinguished chairs, six chairs, six distinguished professorships, nine professorships and one faculty fellowship

In addition to the educational advantages UTSA offers, its economic impact directly and indirectly produces 1.2 billion in annual business revenues and supports an estimated 15,720 jobs in the San Antonio metropolitan statistical area. Purchases by UTSA in 2009 totaled \$69 million, with \$20 million or 29 percent designated or obtained from historically underutilized business (HUB) vendors.

LARRY COKER

HEAD COACH

(NORTHEASTERN [OKLA.] ST. • 1970)

A 30-year collegiate coaching veteran, Larry Coker was named the first head coach in UTSA football history on March 6, 2009.

Coker has made national headlines for the program since arriving in the Alamo City, bringing unprecedented exposure for the university, athletics department and football program. Besides numerous national stories that have depicted the former Miami head coach's effort to build an NCAA Division I team from scratch, "UTSA Football: The Birth of a Program" is a six-part series that chronicles that start of the Roadrunners inaugural campaign and airs on FOX Sports Southwest.

The two-time National Coach of the Year has assembled a staff of nine full-time and two graduate assistant coaches that has more than 100 combined years of coaching experience.

Coker's first-ever recruiting class made waves, as it featured nine all-state and 28 all-district performers. He followed that by inking a second class in February 2011 that included nine all-state and 25 all-district players.

The Okemah, Okla., native helped UTSA land an invitation to join the Western Athletic Conference in 2012 and compile future non-conference schedules that include some of college football's heavy hitters.

Coker's expertise was recognized, as he served as an

assistant coach for Team Texas under former Dallas Cowboys standout Bill Bates in the 2011 NFL Players Association Game, which featured draft-eligible senior college players.

Before UTSA named Coker its first head coach, he spent two seasons as a college football analyst for ESPN.

Prior to that, Coker arguably was one of the nation's top head coaches from 2001-06 at the University of Miami (Fla.).

He posted a 60-15 record (.800 winning percentage) in his six seasons, including wins in his first 24 games (first coach since Walter Camp in 1888-89 to do so), and led the Hurricanes to the 2001 National Championship in his first season, becoming just the second coach in NCAA history to do so and the first in 53 years.

Coker was a two-time National Coach of the Year (2001-02), American Football Coaches Association (AFCA) Region Coach of the Year

Larry Coker guided the Miami Hurricanes to the 2001 National Championship, capping a 12-0 season with a 37-14 victory over Nebraska in the Rose Bowl.

(2001, '05) and Big East Coach of the Year (2001-02) honoree.

He led the Hurricanes to a pair of Bowl Championship Series (BCS) title game appearances, three BCS bowl games, a total of six bowl contests overall and three consecutive Big East Conference Championships from 2001-03 during his tenure.

Coker has coached 26 first-team All-Americans and 96 first-team all-conference picks during his career and also mentored 73 student-athletes who earned academic all-conference accolades. In fact, his 2005 team graduated all 21 players, a total higher than any other program in the country, and the Hurricanes' 84-percent graduation rate a year earlier was far higher than the national average. His teams annually were honored for their excellence in the classroom by the AFCA.

Coker has been successful in every stop of his 36-year coaching career, including 22 seasons as an assistant at the collegiate level. He has been on college teams that have made a total of 18 bowl appearances and those squads have been victorious 14 times.

He served as Miami's offensive coordinator and quarterbacks coach from 1995-2000 and the Hurricanes won all four of their bowl games during that time.

Prior to his arrival at Miami, Coker spent two seasons at Ohio State (1993-94) as defensive backs coach. The Buckeyes participated in two bowl games during his tenure and were the 1993 Big Ten Co-Champions.

From 1990-92, he was the offensive coordinator at

Oklahoma and the Sooners posted two bowl victories while he was there.

Before heading to Norman, Coker spent seven seasons as the offensive coordinator at Oklahoma State from 1983-89. In his seven seasons with the Cowboys, he coached 1988 Heisman Trophy winner Barry Sanders and the team won four bowl games.

Coker first made the jump to Division I with Tulsa in 1979 as the offensive backfield coach and was promoted to offensive coordinator in 1980 and served in that role for three seasons. The Golden Hurricane won three Missouri Valley Conference Championships during his four-year stay.

He graduated with a bachelor's degree in history from Northeastern (Okla.) State University in 1970 and earned his master's in guidance counseling and physical education three years later from the same school.

The Coker and Goldmann families (l-r): Larry Coker, Tedd Goldmann, Daniel Goldmann, Lara Goldmann, Dillon Goldmann and Dianna Coker.

WHAT THEY'RE SAYING ABOUT LARRY COKER

STAFF

"Larry has a long and great track record as a championship-caliber football coach. Along with his championship style, comes a man of character that all of us coaches recognize and respect."

— Oklahoma head coach Bob Stoops

"Coach Coker has always been genuine. I always have appreciated what he has done for the game of football. He's a great fit for UTSA."

— Russell Maryland, former Miami All-American and 1991 NFL Draft overall No. 1 pick

"No one, however, should question Coker's ability to get it done. There's too much high school talent in the state of Texas, and Coker has too many friends in the coaching community helping him out."

— Matt Hayes, *The Sporting News*, April 13, 2009

"UTSA wins again! Lynn Hickey's hiring of Larry Coker is one of the biggest coups in the history of UTSA. Larry has quickly put together an excellent staff. They not only know the game; they have been involved in other very successful startup programs. It is not easy to build any new organization. UTSA has a great advantage in meeting that challenge with the hire of Larry Coker."

— Red McCombs, former Minnesota Vikings owner and San Antonio businessman

"The University of Texas at San Antonio has started their program with one of the best coaches possible. Larry Coker did a fantastic job as the head coach at the University of Miami. He is a fine gentleman and the kind of person that can establish the program in a way that people can be proud."

— Penn State head coach Joe Paterno

"In my opinion, Larry is the best hire for UTSA. He loves kids and the game of football and has impeccable character. Larry has been at the pinnacle of the college football world and he got there by paying his dues and working extremely hard for many years. He'll bring that same kind of energy to UTSA. They are lucky to have him."

— Texas head coach Mack Brown

"Throughout his career, Coker consistently has demonstrated a sincerity that has earned him admiration and respect on and off the field."

— David Flores, *San Antonio Express-News*, March 7, 2009

TIGHT ENDS

(TCU • 2002)

Kevin Brown is in his first season as an assistant coach at UTSA, where he mentors the program's tight ends. Brown came to UTSA from Texas State, where he served as the Bobcats' receivers coach for the previous four seasons.

Brown, who previously worked with UTSA offensive coordinator/quarterbacks coach Travis Bush at Texas State, helped the Bobcats set numerous school records during his four years in San Marcos.

In 2009, wide receiver Da'Marcus Griggs set the newest standard with 80 receptions en route to earning second-team All-Southland Conference honors. All totaled, Brown's wide receivers unit combined to catch 194 passes for 2,505 yards and 20 touchdowns in 2009.

A year earlier, Cameron Luke was named a third-team All-American after posting 73 receptions for two more records of 1,268 yards and 17 touchdowns. Luke broke his original record that he set in 2007 with 60 catches for 1,035 yards and 12 TDs and was named first-team all-conference.

Brown's corps combined to catch 185 passes for 2,800 yards and 27 touchdowns in 2008, and in 2007, his receivers caught 137 passes for 1,825 yards and 17 scores.

Prior to his tenure at Texas State, Brown was an offensive graduate assistant coach at TCU, his alma mater, for three seasons. Among his responsibilities at TCU were working

LYNN HICKEY

DIRECTOR OF ATHLETICS

(OUACHITA BAPTIST • 1973)

Lynn Hickey has made student-athlete welfare one of her top priorities as she continues to work to bring the UTSA Athletics Department to the upper echelon of the NCAA Division I standings.

Under Hickey's direction the last 11 years, UTSA has claimed three Southland Conference all-sports championships while consistently winning both team and individual awards in all 17 sports sponsored by the university. On Dec. 18, 2008, UTSA's Athletics Initiative Business Plan was approved by the UT System Board of Regents, granting permission to start a football program. Hickey made a splash with the hiring of the first-ever head football coach, as two-time National Coach of the Year Larry Coker was introduced on March 6, 2009.

Hickey has led the charge for UTSA and its hosting of numerous NCAA Championship events. Since her arrival on campus, UTSA has served as host institution for the 2001 NCAA Men's Basketball Midwest Regional, 2002 Women's Final Four, 2003 Men's Basketball South Regional, 2004 Men's Final Four, 2005 Women's Volleyball Championship, 2006 Women's Basketball South Regional, 2007 Men's Basketball South Regional, 2008 Men's Final Four and 2010 Women's Final Four. It will serve as host for the 2011 Men's Basketball Southwest Regional and 2011 Women's Volleyball Championship. When the calendar is turned to 2012, UTSA will have hosted 14 NCAA Championship events in a 15-year period.

In 2007, Hickey was named to the NCAA Division I Men's Basketball Committee, one of the most prestigious appointments in all of collegiate athletics. The 10-member committee oversees administration of the NCAA Division I Men's Basketball Championship, including the selection and seeding of teams for the tournament. Hickey became just the second female ever selected to the committee, joining UNC

Charlotte Athletics Director Judy Rose, who served from 1999-2003.

Hickey has been honored nationally for her hard work at UTSA. She was named the National Association of Collegiate Women Athletics Administrators 2005 Division I-AAA Administrator of the Year. Hickey earned her second national award in June 2006 as the National Association of Collegiate Directors of Athletics (NACDA)/GeneralSports TURF Systems Division I-AAA

West Region AD of the Year (ADOY). She also was selected to and completed the Masters Leadership Program of San Antonio and Bexar County.

"UTSA is very fortunate to have an athletic leader with both the administrative and coaching experience of Lynn Hickey," UTSA President Dr. Ricardo Romo said. "Lynn not only is a leader who can take our athletic program to the next level, but she is also well respected nationally and serves as an excellent role model for all student-athletes at this university."

In serving as the fourth athletics director in UTSA history, Hickey assumed the lead athletics role at one of the youngest NCAA Division I universities in the country (UTSA began athletic competition in 1981). The only female Division I athletics director that oversees both men's and women's sports in the state of Texas, she served as President of the Southland Conference from 2002-04 and as the SLC's representative to the NCAA Championship/Competition Cabinet.

"It has been an exciting time," said Hickey, who served on the Women's Basketball Rules Committee from 2003-06, the last two as Chair. "We have made some good strides to bring the program to prominence nationally. San Antonio is an outstanding city and is a tremendous asset to the unlimited potential of the UTSA athletics program."

Hired by UTSA in October 1999, Hickey came to San Antonio from Texas A&M University, where she served as senior associate athletic director/senior woman administrator since 1994. At Texas A&M, her responsibilities included event management and marketing and promotions for 16 of the university's 19 Division I sports. She also represented the Big 12 Conference as a member of the NCAA Championship Cabinet.

From 1984-94, Hickey served as head women's basketball coach for Texas A&M. She directed the 1993-94 Aggies basketball team to the NCAA Tournament Sweet 16, becoming the lowest-seeded team to ever reach that milestone. Texas A&M finished the year ranked No. 19 in the CNN/USA Today Top 25 poll. Following the season, Hickey relinquished her coaching duties to accept the promotion to senior associate athletic director. She finished her coaching career with an overall mark of 279-167 in 15 years of collegiate coaching.

Before her stint at A&M, Hickey was head women's basketball coach at Kansas State University from 1979-84. She averaged more than 23 wins per season in posting a 125-39 (.762) record over five years and led the Wildcats to five consecutive NCAA Tournament berths. She was inducted into the Kansas State Athletics Hall of Fame in September 2004.

A native of Welch, Okla., Hickey graduated summa cum laude from Ouachita Baptist University in Arkadelphia, Ark., with a bachelor's degree in education. She was an All-American for OBU's nationally-ranked basketball team and a member of the USA National Team in 1973. Hickey and her husband, Bill, have one daughter, Lauren Nicole.

DR. RICARDO ROMO

UNIVERSITY PRESIDENT

(TEXAS • 1967)

Ricardo Romo became the fifth president of The University of Texas at San Antonio in May 1999. As President, he leads one of the fastest-growing institutions of higher education in Texas and the nation. UTSA, under his leadership, is now poised to become the state's next premier research university. President Romo has led strategic efforts to enhance both access to education and excellence in scholarship and service at the University.

During President Romo's tenure, UTSA's enrollment has grown 53%, and the University has added numerous programs and facilities to enhance student life. The number of doctoral degree programs has increased from three to 21. He also has implemented new student support programs designed to help students succeed at earning a university degree. The number of advisers has tripled, and UTSA, with nearly 29,000 students in 2009, is recognized as a leader in "Closing the Gaps," a statewide initiative by the Legislature to enroll more Texans in higher education.

A native of San Antonio's West Side, President Romo graduated from Fox Tech High School and attended The University of Texas at Austin on a track scholarship. He served as captain of the track and cross-country team and earned All-American honors in 1966. Romo was the first Texan to run the mile in less than four minutes, and his mile record lasted 41 years.

He earned a B.S. degree in education (1967), a master's degree in history from Loyola Marymount University (1970) and a Ph.D. in history from UCLA (1975). A nationally respected urban historian, Romo is the author of "East Los Angeles: History of a Barrio," which is now in its ninth printing (one in Spanish).

Romo began his career as a social studies coordinator in the Los Angeles public schools in 1967. He taught as an assistant professor at California State University at Northridge (1970-1973) then at UC San Diego (1973-1980). In 1980, he returned to UT Austin to teach history.

Dr. Ricardo Romo prepares to introduce Larry Coker as the school's first football coach on March 6, 2009.

Prior to joining UTSA, Romo served at UT Austin as Vice Provost for Undergraduate Education (1993-1999).

Romo serves on nearly 20 boards, many of them in San Antonio. He is active on several museum boards and is especially proud of his work with the United Way. In December 2004, Secretary of State Colin Powell appointed Romo as a U.S. representative to the United Nations Educational Scientific and Cultural Organization. In January 2005, Romo was appointed to the board of directors of the Federal Reserve Bank of Dallas, San Antonio branch, and was reappointed in 2007. He was elected chairman of the board for the San Antonio Hispanic Chamber of Commerce (the largest U.S. Hispanic Chamber organization) for 2006. In 2007, Governor Rick Perry appointed Romo to serve on the Commission for College Ready Texas.

Romo has received many honors during his academic career. In 2006, Romo was honored by the UT Austin Friar Society as Outstanding Friar Alumnus. In November 2007, he was recognized with the Isabel la Catolica award, the highest award given to non-Spanish subjects, bestowed upon him by King Juan Carlos of Spain. In October 2008, Romo received the Distinguished Alumnus Award from the Texas Exes Alumni Association.

President Romo is married to Dr. Harriett Romo, a Professor of Sociology at UTSA. She also serves as Director of UTSA's Mexico Center and the Bank of America Child and Adolescent Policy Research Institute (CAPRI). They have one son, Carlos, who earned degrees from Stanford University and The University of Texas School of Law. Their daughter, Anadelia, a graduate of Princeton University, received a doctoral degree from Harvard University and presently teaches at Texas State University.

UTSA MEDIA POLICY

MEDIA COVERAGE

The UTSA Athletics Communications Office assists members of the media with their coverage of all UTSA sports by coordinating interviews and providing feature ideas, notes, statistics and any other information needed. Media members may check the athletics department's Web site — goUTSA.com — for the latest information pertaining to all 17 sports.

CREDENTIALS (NON-FOOTBALL)

Media wishing to apply for credentials to cover other UTSA home events should send a request to the Athletics Communications Office at least 24 hours prior to the event. These credentials will not allow access to cover UTSA home football games.

FOOTBALL SEASON CREDENTIALS

Season credentials for UTSA football games must be requested by contacting the Athletics Communications Office. Only media covering the Roadrunners on a consistent basis and on assignment will be considered for season credentials. A lost season credential will result in credentials being issued on a game-by-game basis as available. The deadline for requesting season credentials is Friday, Aug. 19.

FOOTBALL SINGLE-GAME CREDENTIALS

Credentials for individual games should be requested by noon Wednesday of the respective week and directed to the Athletics Communications Office. Credentials will only be granted to media on assignment.

CREDENTIAL PICK-UP

Credentials can be mailed upon request or picked up in person with proper identification at the Athletics Communications Office, located in Room 2.01.14 of the P.E. Building on UTSA's Main Campus. For home football games, media that has not yet received credentials may pick those up beginning at 10 a.m. at the Media Entrance (East 50-yard line doors) to the Alamodome.

MEDIA PARKING

Media needing to drive onto UTSA's Main Campus for interviews may request a visitor parking permit by contacting the UTSA Athletics Communications Office at least 24 hours in advance of arrival. Parking at Dub Farris Stadium for UTSA football practices is open.

FOOTBALL GAME DAY PARKING

Media may park in Lot A (south of Alamodome near Durango Boulevard) with a UTSA Football Game Day Parking Pass only. Requests must be made to the Athletics Communications Office at least one week in advance and are issued on a single-game basis only. There are no season parking passes for UTSA football games. Satellite trucks may park in Lot A for a fee and must reserve spaces by contacting Jason Bippert of the Alamodome at (210) 207-3629 or jbippert@alamodome.com.

ALAMODOME ACCESS

All media members must enter the Alamodome through the Media Entrance located on the East side of the facility at the 50-yard line. The entrance and all press work areas will open three hours prior to kickoff. No media members will be allowed to enter the Alamodome through the Loading Dock. A UTSA-issued credential or game ticket is required for entrance to all home football games.

PRESS BOX SERVICES

The Alamodome press box will open three hours prior to kickoff for all home football games. A UTSA-issued credential is required for entrance to the press box. The media meal will be served beginning approximately two hours prior to kickoff. Game notes, flip cards, game programs, official stats, notes and quotes will be provided. Wireless Internet access will be provided to working media members. Media members who wish to order a dedicated Internet connection or telephone line must contact Jason Bippert of the Alamodome at (210) 207-3629 or jbippert@alamodome.com. Seats will be assigned according to UTSA's credential criteria.

PHOTOGRAPHERS/VIDEOGRAPHERS

Photographers and videographers on assignment are welcome to shoot all UTSA home events with proper credentials requested through the Athletics Communications Office. For sideline access at home football games, photographers and videographers will be required to check in for a photo vest. A work room is located in Meeting Room A near the Northeast tunnel to the field, and it will be equipped with

wireless Internet access, flip cards, game programs and refreshments. Photographers who wish to order a dedicated Internet connection must contact Jason Bippert of the Alamodome at (210) 207-3629 or jbippert@alamodome.com. Photographers and videographers will not have a reserved seat in the Alamodome press box. Upper photo and video area requests should be made in the press box at least two hours prior to kickoff.

INTERVIEW ROOMS

Postgame interview rooms for all home football games are located on the east side of the Alamodome across from the visiting team locker room. UTSA will hold a postgame press conference for head coach Larry Coker and selected players after a 10-minute cooling off period.
