CHAMPIONSHIP TRADITION

The UTSA women's basketball team continues to build a winning tradition under head coach Rae Rippetoe-Blair. The Roadrunners won back-to-back Southland Conference Tournament titles in 2007-08 and 2008-09 for the first time in school history. In 2009, UTSA became the first No. 15 seed to take a No. 2 seed to overtime, as they just missed out on an upset in the First Round of the NCAA Tournament.

CHAMPIONSHIP TRADITION

In addition to the team's success, numerous Roadrunners have been recognized for their individual achievements. Led by three-time Southland Conference Coach of the Year Rae Rippetoe-Blair, UTSA annually has seen its players among the best in the conference.

Since 2001, Roadrunners players have been named All-Southland 25 times, an average of more than two players a season. In 2009, Monica Gibbs became the first player in conference history to earn Player of the Year and Defensive Player of the Year honors in the same season.

ROADRUNNERS IN THE COMMUNITY

The UTSA women's basketball program not only puts forth effort on the court and in the classroom, but in the community as well. Year in and year out, Roadrunners make appearances at the local Children's Hospital, help with Roadrunner Move-In Days, Habitat for Humanity, the Wounded Warrior Project, the annual Babcock Road clean-up and participate in the read-along programs at local schools.

ROADRUNNERS TRAVEL

The UTSA women's basketball team has time to relax and have fun as a team while away from San Antonio. Over the years, the Roadrunners have taken part in tournaments all over the country and in Mexico. Some of those places include Denver, Las Vegas, Miami, New Orleans, Orlando, San Diego, Cancun, Mexico and Cozumel, Mexico.

ROADRUNNERS IN THE PROS

Under head coach Rae Rippetoe-Blair, three Roadrunners have pursued a professional career. Ana Oliveria currently is playing in her native country of Portugal for Mcell Alges and is also on the Portuguese National Team. Katie Sandefur played in Portugal during the 2007-08 season and Monica Gibbs played for Amicale Steinsel in Luxembourg two years ago. In addition, Vivian Ewalefo played for the Nigerian National Team in 2007 and participated in the African Games, where she won a silver medal.

ABOUT UTSA

The University of Texas at San Antonio was founded on June 5, 1969, by the Texas Legislature to be a "university of the first class."

UTSA serves the San Antonio metropolitan area and the broader region of South Texas through programs and services offered from its four campuses: Main Campus, Downtown Campus, Hemisfair Park Campus and Park West Campus.

With more than 31,000 students enrolled in 135 undergraduate and graduate degree programs, UTSA is the third-largest component in The University of Texas System.

UTSA lists an enrollment of 30,968 (26,268 undergraduates) for Spring 2012, making it the eighth-largest school in the state of Texas.

UTSA offers 135 degree programs at the bachelor's, master's and doctoral levels in the colleges of Architecture, Business, Education and Human Development, Engineering, Honors, Liberal and Fine Arts, Public Policy, Sciences and in the Graduate School.

The university's four campuses provide access and opportunity for large numbers of historically underserved students. More than half of UTSA's students come from groups underrepresented in higher education. Many students are the first in their families to attend a college or university.

As the region's largest generator of engineers, artists, business professionals, teachers, scientists and technology managers, UTSA has produced more than 81,000 graduates since awarding its first degree in 1974.

UTSA has a total of 622 budgeted tenure/tenure-track faculty positions. Ninety-eight percent of full-time faculty hold doctorates or equivalent terminal degrees. UTSA has a total of 40 endowed academic positions, a measure of academic excellence. They include 15 distinguished chairs, six chairs, six distinguished professorships, nine professorships and one faculty fellowship.

In addition to the educational advantages UTSA offers, its economic impact directly and indirectly produces 1.2 billion in annual business revenues and supports an estimated 15,720 jobs in the San Antonio metropolitan statistical area. Purchases by UTSA in 2011 totaled \$78 million, with \$16.8 million or 21 percent designated or obtained from historically underutilized business (HUB) vendors.

STRENGTH & CONDITIONING

UTSA student-athletes are running faster and getting stronger thanks to a commitment to an enhanced strength and conditioning program and a new weight room.

MISSION STATEMENT

The UTSA Strength & Conditioning Department provides athletes the means by which they can train consistently, sensibly and systematically over designated periods of time in a safe, clean and professional environment to help prevent injury and improve athletics performance.

PHILOSOPHY

The philosophy of the University of Texas at San Antonio strength & conditioning program adheres strictly to the three proven scientific principles of adaptation ...

SPECIFICITY

The transfer of a training adaptation to a gain in competition performance.

OVERLOAD

Adaptation takes place when the magnitude of training is greater than normal and is achieved by prescribing the correct number of sets, repetitions and intensity of effort. The primary focus is the muscular and energy systems' adaptation to overload.

DR. RICARDO ROMO

UNIVERSITY PRESIDENT

(TEXAS • 1967)

Ricardo Romo became the fifth president of The University of Texas at San Antonio in May 1999. As President, he leads one of the fastest-growing institutions of higher education in Texas and the nation. UTSA, under his leadership, is now poised to become the state's next premier research university. President Romo has led strategic efforts to enhance both access to education and excellence in scholarship and service at the University.

During President Romo's tenure, UTSA's enrollment has grown 53%, and the University has added numerous programs and facilities to enhance student life. The number of doctoral degree programs has increased from three to 21. He also has implemented new student support programs designed to help students succeed at earning a university degree. The number of advisers has tripled, and UTSA, with nearly 29,000 students in 2009, is recognized as a leader in "Closing the Gaps," a statewide initiative by the Legislature to enroll more Texans in higher education.

A native of San Antonio's West Side, President Romo graduated from Fox Tech High School and attended The University of Texas at Austin on a track scholarship. He served as captain of the track and cross-country team and earned All-American honors in 1966. Romo was the first Texan to run the mile in less than four minutes, and his mile record lasted 41 years.

He earned a B.S. degree in education (1967), a master's degree in history from Loyola Marymount University (1970) and a Ph.D. in history from UCLA (1975). A nationally respected urban historian, Romo is the author of "East Los Angeles: History of a Barrio," which is now in its ninth printing (one in Spanish).

Romo began his career as a social studies coordinator in the Los Angeles public schools in 1967. He taught as an assistant professor at California State University at Northridge (1970-1973) then at UC San Diego (1973-1980). In 1980, he returned to UT Austin to teach history. Prior to joining UTSA, Romo served at UT Austin as Vice Provost for

Members of the 2001 San Antonio Sports Hall of Fame Class from left to right: Robert Quiroga, Rudy Davalos, Nelson Wolff and Dr. Ricardo Romo

Undergraduate Education (1993-1999).

Romo serves on nearly 20 boards, many of them in San Antonio. He is active on several museum boards and is especially proud of his work with the United Way. In December 2004, Secretary of State Colin Powell appointed Romo as a U.S. representative to the United Nations Educational Scientific and Cultural Organization. In January 2005, Romo was appointed to the board of directors of the Federal Reserve Bank of Dallas, San Antonio branch, and was reappointed in 2007. He was elected chairman of the board for the San Antonio Hispanic Chamber of Commerce (the largest U.S. Hispanic Chamber organization) for 2006. In 2007, Governor Rick Perry appointed Romo to serve on the Commission for College Ready Texas.

Romo has received many honors during his academic career. In 2006, Romo was honored by the UT Austin Friar Society as Outstanding Friar Alumnus. In November 2007, he was recognized with the Isabel la Catolica award, the highest award given to non-Spanish subjects, bestowed upon him by King Juan Carlos of Spain. In October 2008, Romo received the Distinguished Alumnus Award from the Texas Exes Alumni Association.

President Romo is married to Dr. Harriett Romo, a Professor of Sociology at UTSA. She also serves as Director of UTSA's Mexico Center and the Bank of America Child and Adolescent Policy Research Institute (CAPRI). They have one son, Carlos, who earned degrees from Stanford University and The University of Texas School of Law. Their daughter, Anadelia, a graduate of Princeton University, received a doctoral degree from Harvard University and presently teaches at Texas State University.

LYNN HICKEY

DIRECTOR OF ATHLETICS

(OUACHITA BAPTIST • 1973)

Lynn Hickey has made student-athlete welfare one of her top priorities as she continues to work to bring the UTSA Athletics Department to the upper echelon of the NCAA Division I standings.

Under Hickey's direction the last 11 years, UTSA has claimed three Southland Conference all-sports championships while consistently winning both team and individual awards in all 17 sports sponsored by the university. On Dec. 18, 2008, UTSA's Athletics Initiative Business Plan was approved by the UT System Board of Regents, granting permission to start a football program. Hickey made a splash with the hiring of the first-ever head football coach, as two-time National Coach of the Year Larry Coker was introduced on March 6, 2009.

Hickey has led the charge for UTSA and its hosting of numerous NCAA Championship events. Since her arrival on campus, UTSA has served as host institution for the 2001 NCAA Men's Basketball Midwest Regional, 2002 Women's Final Four, 2003 Men's Basketball South Regional, 2004 Men's Final Four, 2005 Women's Volleyball Championship, 2006 Women's Basketball South Regional, 2007 Men's Basketball South Regional, 2008 Men's Final Four and 2010 Women's Final Four. It will serve as host for the 2011 Men's Basketball Southwest Regional and 2011 Women's Volleyball Championship. When the calendar is turned to 2012, UTSA will have hosted 14 NCAA Championship events in a 15-year period.

In 2007, Hickey was named to the NCAA Division I Men's Basketball Committee, one of the most prestigious appointments in all of collegiate athletics. The 10-member committee oversees administration of the NCAA Division I Men's Basketball Championship, including the selection and seeding of teams for the tournament. Hickey became just the second female ever selected to the committee, joining UNC Charlotte Athletics Director Judy Rose, who served from 1999-2003.

Hickey has been honored nationally for her hard work at UTSA. She was named the National Association of Collegiate Women Athletics Administrators 2005 Division I-AAA Administrator of the Year. Hickey earned her second national award in June 2006 as the National Association of Collegiate Directors of Athletics (NACDA)/GeneralSports TURF Systems Division I-AAA

West Region AD of the Year (ADOY). She also was selected to and completed the Masters Leadership Program of San Antonio and Bexar County.

"UTSA is very fortunate to have an athletic leader with both the administrative and coaching experience of Lynn Hickey," UTSA President Dr. Ricardo Romo said. "Lynn not only is a leader who can take our athletic program to the next level, but she is also well respected nationally and serves as an excellent role model for all student-athletes at this university."

In serving as the fourth athletics director in UTSA history, Hickey assumed the lead athletics role at one of the youngest NCAA Division I universities in the country (UTSA began athletic competition in 1981). The only female Division I athletics director that oversees both men's and women's sports in the state of Texas, she served as President of the Southland Conference from 2002-04 and as the SLC's representative to the NCAA Championship/Competition Cabinet.

"It has been an exciting time," said Hickey, who served on the Women's Basketball Rules Committee from 2003-06, the last two as Chair. "We have made some good strides to bring the program to prominence nationally. San Antonio is an outstanding city and is a tremendous asset to the unlimited potential of the UTSA athletics program."

Hired by UTSA in October 1999, Hickey came to San Antonio from Texas A&M University, where she served as senior associate athletic director/senior woman administrator since 1994. At Texas A&M, her responsibilities included event management and marketing and promotions for 16 of the university's 19 Division I sports. She also represented the Big 12 Conference as a member of the NCAA Championship Cabinet.

From 1984-94, Hickey served as head women's basketball coach for Texas A&M. She directed the 1993-94 Aggies basketball team to the NCAA Tournament Sweet 16, becoming the lowest-seeded team to ever reach that milestone. Texas A&M finished the year ranked No. 19 in the CNN/USA Today Top 25 poll. Following the season, Hickey relinquished her coaching duties to accept the promotion to senior associate athletic director. She finished her coaching career with an overall mark of 279-167 in 15 years of collegiate coaching.

Before her stint at A&M, Hickey was head women's basketball coach at Kansas State University from 1979-84. She averaged more than 23 wins per season in posting a 125-39 (.762) record over five years and led the Wildcats to five consecutive NCAA Tournament berths. She was inducted into the Kansas State Athletics Hall of Fame in September 2004.

A native of Welch, Okla., Hickey graduated summa cum laude from Ouachita Baptist University in Arkadelphia, Ark., with a bachelor's degree in education. She was an All-American for OBU's nationally-ranked basketball team and a member of the USA National Team in 1973. Hickey and her husband, Bill, have one daughter, Lauren Nicole.

RAE RIPPETOE-BLAIR

HEAD COACH

YEAR | AT UTSA
18TH SEASON | 13TH SEASON

ALMA MATER |
OKLAHOMA STATE '85

A three-time Southland Conference Coach of the Year, Rae Rippetoe-Blair is in her 13th season at UTSA.

During her 12 seasons at the helm, the Ardmore, Okla., native has guided the Roadrunners to a pair of NCAA Tournament appearances (2008-09), back-to-back Southland Conference Tournament Championships in 2008-09, a pair of Southland Regular Season Titles (2003/'09) and consecutive 20-win seasons in 2007-08 and '08-09, including a school-record 24 in 2008-09.

Since her hiring in 2000, she helped transform the Roadrunners into one of the top programs in the Southland. Rippetoe-Blair led UTSA to 11 Southland Tournament appearances, including four trips to the conference finals (2003/'06/'08/'09). During the 2004-05 season, she became the winningest basketball coach in UTSA history. She currently has 200 victories (only women's coach at UTSA with more than 150) and her .557 winning percentage is second-best in school annals.

Rippetoe-Blair has mentored several outstanding student-athletes during her time at UTSA, including 2008-09 Southland Conference Player of the Year and Defensive Player of the Year Monica Gibbs, who is currently playing overseas (Amicale Steesel). She has coached four Southland Newcomers of the Year (Nikki Hendrix 2002/Dewella Holiday 2003/Vivian Ewalefo 2006/Onika Anderson 2008), two Southland Freshmen of the Year (Richelle Parks 2005/Monica Gibbs 2006), 25 All-Southland selections (seven first-teamers), two Southland Student-Athletes of the Year (Nicole Dunson 2005/Ryba Pawlaczyk 2009), four Southland All-Academic selections and a pair of CoSIDA Academic All-District honorees.

Rippetoe-Blair has an overall record of 307-203 (60.2 percent) in 17 seasons as a head coach. The Roadrunners have averaged 16.6 wins per season during her tenure.

Last season, Rippetoe-Blair became the first coach in program history to amass 200 wins, while earning her 300th overall. Both milestones were achieved in front of the home crowd with wins against FIU (300th overall) and Texas A&M-Corpus Christi (200th at UTSA). Under her tutelage, Kamra King led the team in points and was the conference's top-scoring freshman. Sophomore Judy Jones was second on the team in scoring and was named honor-

able mention all-conference.

In 2010-11, the Roadrunners posted 16 victories, including an 11-5 Southland mark to win the conference's West Division for the second time in the last three years. With preseason All-Southland guards Whitney York and Judy Jones out for the season, UTSA leaned heavily on its five seniors, who responded with another record-breaking year.

Amber Gregg became the school's most prolific 3-point shooter and finished her career with 200 to rank in the league's top 10. Known for her outside shooting, it was Alysse Davis' defense that earned her a spot in the UTSA record book with single-season (78) and career (98) marks for blocks. Rippetoe-Blair led the program to its 11th consecutive Southland Tournament appearance and entered as the No. 4 seed. On the strength of a career-high 33 points from Ashleigh Franklin that included a single-game tournament record 15 free throws, UTSA defeated Sam Houston State before falling to regular season and eventual tournament champion McNeese State in the semifinals. Gregg (second team) and Franklin (third team) each earned all-conference honors, while Franklin also made the all-tournament team. For the second consecutive season, the Roadrunners ended the year atop the league three defensive categories — field goal percentage defense (36.7 percent), blocks (138) and defensive rebounds (839).

In 2009-10, a run for a third consecutive conference championship and a trip back to the NCAA Tournament was going to be a challenge for Rippetoe-Blair. The departure of three starters (Anderson/Gibbs/Pawlaczyk) that contributed more than 70 percent of the offense and returning one starter (junior Amber Gregg) saw UTSA in the mist of a rebuilding year. However, the Roadrunners produced a 16-14 overall record and a third-place showing in the West Division standings with a 10-6 mark. The Roadrunners made their way to a 10th consecutive postseason appearance as a No. 4 seed. Despite an up-and-down season, Rippetoe-Blair saw the resurgence of York, who missed most of the 2008-09 year due to injury, and the emergence of Jones and Franklin. York and Jones enjoyed successful campaigns and their efforts did not go unnoticed as they were tabbed second-team All-Southland, while Franklin collected third-team all-league

honors. The Roadrunners ended the year atop the circuit in three defensive categories — scoring defense (61.8 ppg), lowest field goal percentage (37.2 percent) and 3-point field goal percentage (28.8 percent).

After dropping six of its first eight games of the 2008-09 season, UTSA ended the year strong with the Southland Regular Season and Tournament Championships and punched its second ticket to the NCAA Tournament. The Roadrunners also set a school-record with 24 wins and posted a 14-2 conference mark, tying UT Arlington for first-place in the league, while Rippetoe-Blair picked up Southland Coach of the Year honors for the third time. She was also recognized as the 2009 TABC Coach of the Year. Meanwhile, three Roadrunners collected all-conference honors led by Gibbs, who was named Southland Player of the Year and the circuit's Defensive Player of the Year. The Roadrunners entered the league's tournament as the No. 2 seed and began defense of their post-season championship with a 71-52 win against No. 7 seed McNeese State in the quarterfinals. UTSA then escaped with a 58-47 win versus sixth-seeded Northwestern State in the semifinals before knocking off top seed UT Arlington, 74-63 to earn the league's automatic berth to the NCAA Tournament. The Roadrunners saw their season come to an end with an 87-82 overtime loss against second-seeded Baylor in first-round action, but it was the first time in tournament history that a No. 15 seed took a second-seeded team into overtime.

The 2007-08 season was a year to remember for the Roadrunners, as they won their first-ever Southland Tournament and made their first trip to the NCAA Tournament. UTSA won 23 games, which marked the first 20-win season since 1983-84. The Roadrunners ended the season with a 23-10 overall mark and a 12-4 league record, which was good enough for second place in the conference standings. UTSA began tournament play as the third seed and made quick work of its first-round opponent Northwestern State, 80-56. The Roadrunners then got past UT Arlington in the semifinals, 77-67, and rounded out the tournament with a 65-56 win against No. 4 seed Lamar in the championship game. The Roadrunners' season came to an end against No. 2-seed Texas A&M in first-round action of the NCAA Tournament.

In 2006-07, Rippetoe-Blair collected her 100th UTSA career victory on Nov. 24 with a 77-67 win against Eastern Washington. UTSA finished its conference season in a three-way tie for fourth place at 9-7 and earned the No. 5 seed at the 2007 Southland Tournament. The Roadrunners pulled an upset win against Southeastern Louisiana in the first round before falling to top-seeded UT Arlington in the semifinals.

During the 2005-06 season, Rippetoe-Blair and the Roadrunners enjoyed a successful year with an 18-12 mark and a trip back to the Southland Tournament finals. UTSA finished third in the league with an 11-5 record and she recorded her 200th career win on Feb. 2 at Nicholls.

In her fifth season in 2003-04, Rippetoe-Blair mentored the Roadrunners to a 16-12 record along with 10 wins in Southland play. UTSA boasted the league's top defense after holding its opponents

to just 57.8 points per game.

Rippetoe-Blair's fourth season saw UTSA register a 15-14 overall record and a 10-6 mark in league play.

In her third season, Rippetoe-Blair led UTSA to its first regular season Southland Championship with a 17-3 league ledger and an overall mark of 18-11. She was honored as the Southland Coach of the Year and it was richly deserved after turning around a team that began the season 0-8, and upon entering Southland play, won 17 of 19 games, including a 13-game winning streak, 17 conference wins and 11 home court wins, all school records.

In 2000-01, Rippetoe-Blair received Southland Coach of the Year honors following a 13-7 league campaign.

UTSA was ranked in the top six nationally in scoring defense in 2002-03 and was second in the nation in her first two seasons (2000-01/2001-02).

While the immediate impact Rippetoe-Blair had on UTSA's program might be a surprise, the success should not. A proven winner as a head coach at NAIA Phillips University and as an assistant at Oklahoma State, she has enjoyed continued success.

Rippetoe-Blair turned around a Phillips program with a 104-51 mark during her five seasons in Enid, Okla. She was named the Sooner Athletic Conference's 1989-90 Coach of the Year after a 29-7 record.

Prior to UTSA, Rippetoe-Blair was an assistant coach at her alma mater, Oklahoma State, for eight seasons. As a player, she left her mark on the Cowgirls program, ranking in the top 20 in five categories.

As an assistant coach, she helped build Oklahoma State as one of the top teams in the Big Eight Conference and made valuable contacts among high school coaches. Her pipeline to Oklahoma has brought Gibbs, Hendrix, Lacy Mingee and Katie Sandefur to San Antonio.

Rippetoe-Blair started her coaching career in 1985 as an assistant coach at Southern Nazarene in Bethany, Okla. She was at SNU for two seasons before moving to Phillips.

After two rebuilding seasons at Phillips, Rippetoe-Blair coached three consecutive 20-win teams. Phillips went 29-7 in 1989-90 and she earned conference coach of the year honors. In 1990-91, Phillips was 23-8 and it posted a 20-9 in her final season before returning to Oklahoma State.

As an Ardmore (Okla.) High School athlete, she ran on the 1980 state champion mile relay team, played on the 1980 Oklahoma-Texas All-Star softball team and was an all-state pick in basketball and track & field. She was the team's MVP in softball and was named the outstanding female Athlete of the Year.

She and her husband, Craig, reside in Boerne, Texas.

During his 11-year stint at Radford, Lichonczak tallied 159 victories, including a Big South mark of 99-59 (.627).

Lichonczak also served as an assistant coach at Ohio State for five seasons, where he helped guide the Buckeyes to four Big Ten Conference titles from 1982-85. He also has served as an assistant coach at Texas A&M, Old Dominion and Idaho.

At Old Dominion, he helped lead the Monarchs to the 1987 Sun Belt Conference Championship and a berth in the NCAA Tournament.

Lichonczak began his coaching career at his alma mater, Idaho. The Vandals were AIAW Division II Tournament participants in 1980. He served as associate head coach at Colorado State from 2001-02 and helped the team win the Mountain West Regular Season Championship and the Rams earned a trip the 2002 NCAA Tournament.

Lichonczak received his master’s degree in athletics administration from Ohio State in 1985. He and his wife, Maryann, have a son, Yov, and one daughter, Nika.

DEIDRA JOHNSON

ASSISTANT COACH

AT UTSA |
FIRST SEASON

ALMA MATER |
OKLAHOMA STATE '04

Deidra Johnson is in her first season as an assistant coach at UTSA.

Johnson comes to UTSA after spending the previous two seasons as an assistant coach at Marshall, where she also served as the recruiting coordinator during the 2011-12 campaign. In addition to her duties as recruiting coordinator, Johnson coached the guards and the group accounted for the top six scorers on the team. The unit also hit 32 percent of its 3-point attempts, which led Conference USA, and the group helped the Thundering Herd hold their opponents to just 56.1 points per game by averaging 10.5 steals per contest.

Johnson mentored the team's post players in her first season, including Tynikki Crook, who was named second-team all-conference after leading the circuit in scoring at 16.2 ppg.

"I'm very excited to join UTSA's staff," Johnson said. "I feel like the future of athletics is very bright here. I admire all the success that Coach Rippetoe-Blair has had at UTSA and that certainly helped make this an attractive position."

"Deidra is an excellent addition to our program" head coach Rae Rippetoe-Blair said when she announced her hiring. "She has an excellent background and worked extremely hard to get to this point. There is no doubt in my mind that De-

idra will make our program better as we move forward."

Prior to her time at Marshall, she spent a total of three seasons at the junior college level.

Before departing after a pair of seasons at Chipola (Fla.) College, Johnson signed the No. 3 recruiting class in the country and coached 10 players that earned Division I scholarships and three that went on to play professionally, including Latoya Williams, recently of the WNBA's San Antonio Silver Stars. She also coached guards and helped coordinate recruiting during the 2007-08 season at Coffeyville (Kan.) Community College.

Johnson began her collegiate career at the University of Arkansas-Fort Smith, where she was named first-team All-NJCAA Region VI and first-team All-NJCAA Bi-State East. After graduating with an associate's degree in 2002, she continued her playing career at Oklahoma State the next two seasons.

The McNeil, Ark., native earned a spot on the Big XII Commissioner's Honor Roll and National Dean's List before graduating with a bachelor's degree in sociology in 2004.
